My original invite went out to my Congressional list and your locals list that you sent me earlier.

About 5 minutes ago, I realized that the Mayor wasn't on there, so I just added her to my calendar invite and elected officials contact list.

Is there anyone else, like someone on her staff, that you would like me to add also?

And what about Silverton local officials? I didn't see any on that contact list you sent.

Getting confused? Did you send it or were you wanting us to send. We may have because I shared it with the other PIOs.

Do you need it? Are you sure? I'll forward your email to Sarah if so.
